## EDUCATION

**Babcock University**

*Bachelor of Science Software Engineering*

*Ilishan Remo, Ogun State*

*2021 - 2025*

## PROFESSIONAL EXPERIENCE

### **IT Horizons (Zojatech)**

*Frontend Developer Intern*

*January 2024 – July 2024*

- Supported the development and developed Web applications and dashboards in React.
- Assisted in integrating UI components into React and Tailwind CSS for scalable frontend solutions.
- Collaborated with cross-functional teams to deliver clean and responsive interfaces.

### **Freelance React Developer**

*January 2022 – Present*

- Built custom websites and single-page applications using React and Tailwind CSS.
- Worked closely with clients to deliver responsive, user-focused solutions.
- Provided ongoing maintenance, feature enhancements, and performance improvements.
- Developed some simple MERN projects

## PROJECTS

### **Campus Safety App & Admin Dashboard** | *REACT, REACT NATIVE, TAILWIND CSS, SUPABASE*

- Built a mobile-first app for students to report emergencies, share live locations, and reach campus security.
- Developed a full-featured dashboard for real-time monitoring and incident analytics.
- Integrated Supabase for secure authentication and real-time data syncing.

### **Weekly Report Aggregation Web App - House on The Rock** | **ROCKVIEW** | *MERN Stack (MONGODB, EXPRESS.JS, REACT, NODE.JS)*

- Created a system to log and manage weekly CITH attendance reports with role-based user access.
- Implemented secure admin features, data aggregation, and automated report generation.

### **Personal Finance Tracker** | *REACT, TAILWIND CSS, API*

- A personal finance tracking webapp for creating budgets, track expenses, and generate financial reports.
- Integrated financial APIs to provide real-time spending trends and updates, helping users make informed financial decisions.
- Ensured secure data handling with encryption and user authentication for data privacy.

### **Messaging App** | **Lead Frontend Developer** | *REACT, TYPESCRIPT, TAILWIND CSS, API, WEBSOCKETS*

- Led the frontend development of a messaging application, utilizing React, TypeScript, and Tailwind CSS to create a clean and responsive user interface.
- Integrated real-time messaging capabilities using WebSockets, allowing users to send and receive messages instantly, enhancing user engagement.
- Collaborated with backend developers to connect the application with APIs for fetching user data and message history, ensuring seamless data synchronization.

### **Crypto Dashboard** | *TYPESCRIPT, TAILWIND CSS*

- Built a crypto portfolio manager with real-time price tracking, transaction history, and buy/sell/swap features.
- Employed state management and API integration for a smooth user experience.

### **QR CODEx** | *QR CODE GENERATOR API, HTML, CSS, JAVASCRIPT*

- Developed a QR code generator web app to convert text/URLs into scannable QR codes with a clean UI.

## **SKILLS, INTERESTS & CERTIFICATION**

---

**Frameworks & Tools:** React, React Native, Node.js, Express, Tailwind CSS, Git, GitHub, Supabase, MongoDB, Figma, IntelliJ, Vim, Visual Studio, VMware, Ngrok.

**Languages:** JavaScript, TypeScript, Python, Java, C/C++, PHP, SQL, Kotlin, HTML, CSS

**Interests:** Augmented and Virtual Reality, Books, Football, Machine Learning, Plants, Startup, Video and board games, UI/UX designing.

**Language:** English (native), French & Igbo (basic).

## **EXTRACURRICULAR ACTIVITIES**

---

### **Babcock University Coding Club**

**2021 - Present**

- Engage proactively in weekly coding challenges and contribute actively to collaborative projects.
- Coordinate and participate in various coding and technology events, demonstrating an active involvement in the community.

### **React Developers Club**

**2022 - Present**

### **GDSC (Google Developers Student Club) (Babcock)**

**2022 - Present**

- Participate as a member in various GDSC (Google Developer Student Clubs) communities, spanning Web, Mobile, Cloud, Backend, Flutter, and Cybersecurity.
- Engage enthusiastically in events, talks, competitions, and projects, actively contributing to the overall participation and success.
